

FAITHFUL'S **REPAIR PROMISE**

Here's How It Works:

- Choose Woodfin for any heating or cooling system repair and we'll guarantee the repair we make will last at least 1 year
- If the same repair fails, we will fix it at no cost to you
- If we cannot fix it, we will apply the amount of the repair (up to \$2000) towards a new system installation performed by Woodfin
- This applies to any brand heating or cooling system

**Faithful's Repair Promise excludes any refrigerant.*

Total Peace of Mind from
